MICE Venue Standard

Category Meeting Room

Chapter 1

Foreword

MICE or Meeting, Incentive, Convention and Exhibition is one of growing sectors in ASEAN Countries. The vision statement of ASEAN Tourism Strategic Plan 2016-2025 is

By 2025, ASEAN will be a quality tourism destination offering a unique, diverse ASEAN experience, and will be committed to responsible, sustainable, inclusive and balanced tourism development, so as to contribute significantly to the socio- economic well-being of ASEAN people.

The impact of MICE is more than the number of visitors or an amount of spending by these visitors in ASEAN countries. These visitors are known to be one of high spenders as well as spending more before and/or after the MICE activities. By average, they also stay at a destination longer than many other types of visitors. MICE visitors therefore contribute to significant growth of tourism and relevant sectors as well as the revenue of the country.

By introducing ASEAN MICE Venue Standard, this will allow all member states to have guidelines to make their property competitive and are able to join hands in providing quality MICE venues to the visitors, making ASEAN a competitive MICE region.

Chapter 2

The ten ASEAN Member Countries, namely: Brunei Darussalam, Cambodia, Indonesia, Lao PDR, Malaysia, Myanmar, the Philippines, Singapore, Thailand and Viet Nam, have considered these ASEAN MICE Venue Standard (AMVS) as a reference to develop and enhance the capacity and competitiveness of MICE entrepreneurs and owners of venues in serving both the organizers and visitors in a professional way.

The ASEAN MICE Venue Standard (AMVS) refers to meeting room, exhibition venue and event venue. In this manual, the focus will be Meeting Room category and in this category there will be 3 settings: Meeting rooms in Hotels & Resorts, Meeting rooms in Convention & Exhibition Centers, and Meeting rooms in Public & Private Sectors. The major criteria for AMVS of this category will be 1. Physical Setting 2. Technology and 3. Service. These indicators focus on the standards of physical aspects, venue management and people working within venues so that together they can meet the requirements of MICE travelers in a competitive way.

I. ASEAN
MICE Venue Standard

Audit & Certification Manual
for category Meeting Room

Chapter 7

Foreword

This document is devoted as a manual of audit and certification of ASEAN MICE Venue Standard (AMVS). It includes a discussion of the auditing principles and guidelines as well as certification procedures so that a venue can be awarded ASEAN MICE Venue Standard (category Meeting Room).

The major criteria and requirements contained within this manual are based upon the ASEAN Member States (AMS)-approved ASEAN MICE Venue Standard (AMVS). The audit and the certification will allow MICE venues within ASEAN develop their capabilities to attract more businesses and to gain opportunities as a MICE region with venue of equivalent and competitive standards.

Chapter 8

Introduction

The formulation of the ASEAN MICE Venue Standard (AMVS) and Certification Body is essential in ensuring the successful implementation of the AMVS. This manual provides a comprehensive description of the assessment process, the parties responsible for managing and conducting such process as well as the benefits that MICE venues can expect to receive when they have been successfully certified as AMVS. Towards this end, this manual aims to equip assessors with the knowledge and skills in making accurate assessments of MICE venues as well as the systematic implementation and management of the AMVS.

Chapter 9

Scope

This manual comprises of:

- A structure and role of the certification body responsible for the implementation of the ASEAN MICE Venue Standard (AMVS)
- An assessment guide as a reference and standard operating procedure in making ASEAN MICE Venue Standard (AMVS) assessment

Chapter 10

Terms & Definitions

The terms and definitions in this manual are as follows:

10.1 ASEAN Member States (AMS)

ASEAN Member States or AMS refers to member countries of the Association of the Southeast Asia Nations. This refers to Brunei Darussalam, Cambodia, Indonesia, Lao PDR, Malaysia, Myanmar, the Philippines, Singapore, Thailand and Viet Nam.

10.2 ASEAN MICE Venue Standard (AMVS)

ASEAN MICE Venue Standard cover 3 categories, namely (1) Meeting Room (2) Exhibition Venue, and (3) Event Venue. ASEAN MICE Venue Standard (category Meeting Room) cover meeting room in 3 settings: Hotels/Resorts, Convention/Exhibition Centers, Public/Private Sectors.

10.3 The National Assessment Committee

The National Assessment Committee refers to a certification body that executes the Assessment Guidelines in inspecting, auditing and assessing ASEAN MICE Venues. The National Assessment Committee can be referred to as an Auditor.

10.4 Government Tourism Organization

A governmental institution that plans and manages tourism development and promotion at a national level or equivalent.

10.5 Assessment Guidelines

Assessment guidelines refer to a scorecard for members of the National Assessment Committee in inspecting, auditing and assessing ASEAN MICE Venues.

Chapter 11

Proposed Certification Body

The proposed certification body will facilitate the implementation of the ASEAN MICE Venue Standard (AMVS) in each respective AMS. Three (3) categories of organizations are proposed to form the certification body, which are

- Government Tourism Organization (National Level) or Equivalent
- Government Tourism Organization (Provincial or Local Level) or Equivalent
- Non-Government or Association connected to MICE businesses

The responsibilities of each organization in the Certification Body are shown in Table 11.1. Table 11.1:

Responsibilities of Organizations within the Certification Body

Organisations	Responsibility
Gov. Tourism Organization (National Level) or Equivalent	<ul style="list-style-type: none">▪ Set up National Assessment Committee for the ASEAN MICE Venue Standards (AMVS) at a national level▪ Act as a Chairperson to head the National Assessment Committee. This includes chairing and participating in the screening of applications, inspection, auditing, preparation of assessment report, and concluding the final result of the audit.
Government Tourism Organization (Provincial or Local Level) or Equivalent	<ul style="list-style-type: none">▪ Act as a member in the National Assessment Committee. This includes participating in the screening of applications, inspection, auditing and preparation of assessment report.
Non-Government or Association connected to MICE businesses	<ul style="list-style-type: none">▪ Act as a member in the National Assessment Committee. This includes participating in the screening of applications, inspection, auditing and preparation of assessment report.

In this regard, ASEAN Member States are responsible to approve and endorse assessment reports and issue certification and logo to successful MICE Venues.

The proposed organization structure of the Certification Body or the National Assessment Committee for ASEAN MICE Venue Standard (AMVS) is as follows (Figure 11.1). The Certification Body, upon approving the assessment report will bring it to the ASEAN Member States Meeting for endorsement (Figure 11.2).

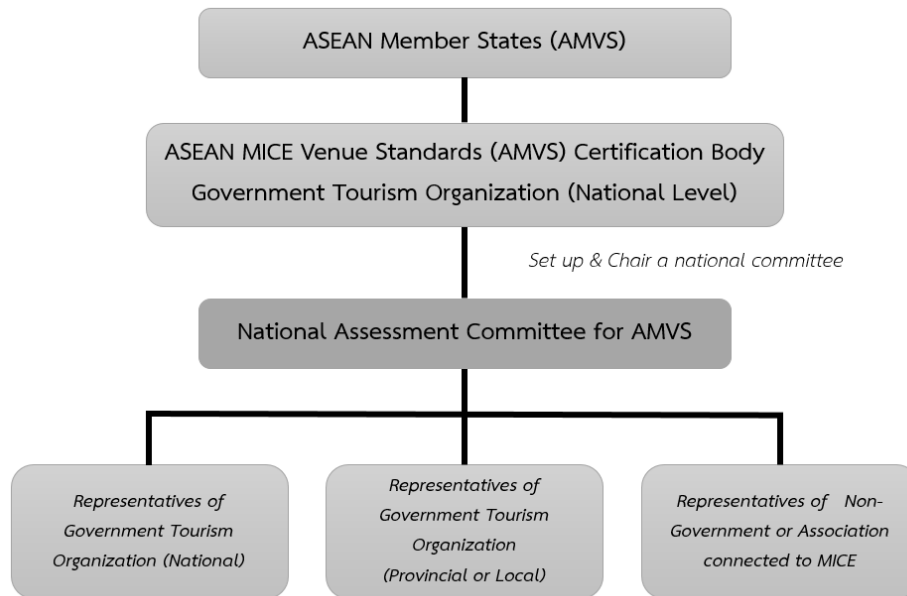

Figure 11.1: Organization Structure of the National Assessment Committee for ASEAN MICE Venue Standard (AMVS) within the AMVS Certification Body of each AMVS

Examples of agencies which could be included in National Assessment Committee for ASEAN MICE Venue Standard (AMVS) within the AMVS Certification Body of each AMS are shown in table 11.2. Due to the varying structures of government in each respective ASEAN country, the responsible agencies may differ from country to country.

However, it is important that the selection of the members in the National Assessment Committee must not lead to a conflict of interest with the applicants/MICE venue operators undergoing the audit for AMVS.

11.1 The Start of AMVS Assessment & Audit

The start of the AMVS assessment & audit will follow the process shown in Figure 11.2 below

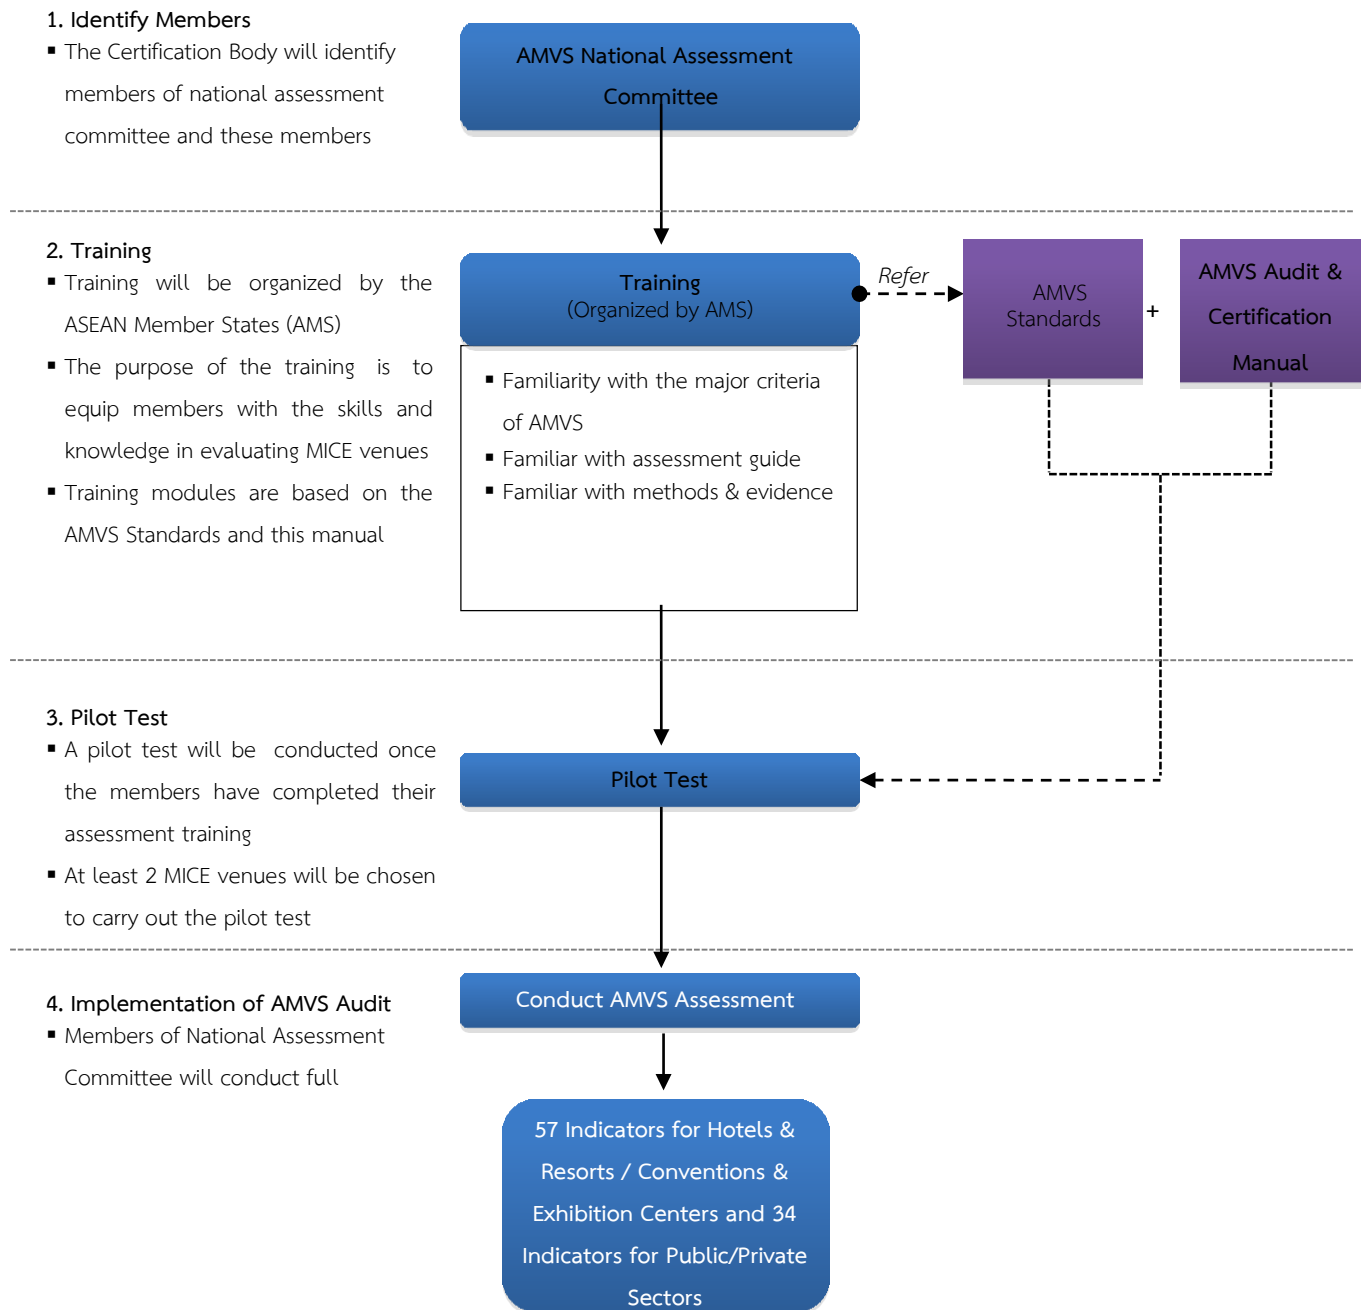

Figure 11.2: The Start of AMVS Assessment & Audit

11.2 The Implementation of Assessment & Audit

The assessment & audit can be implemented as in Figure 11.3 as below.

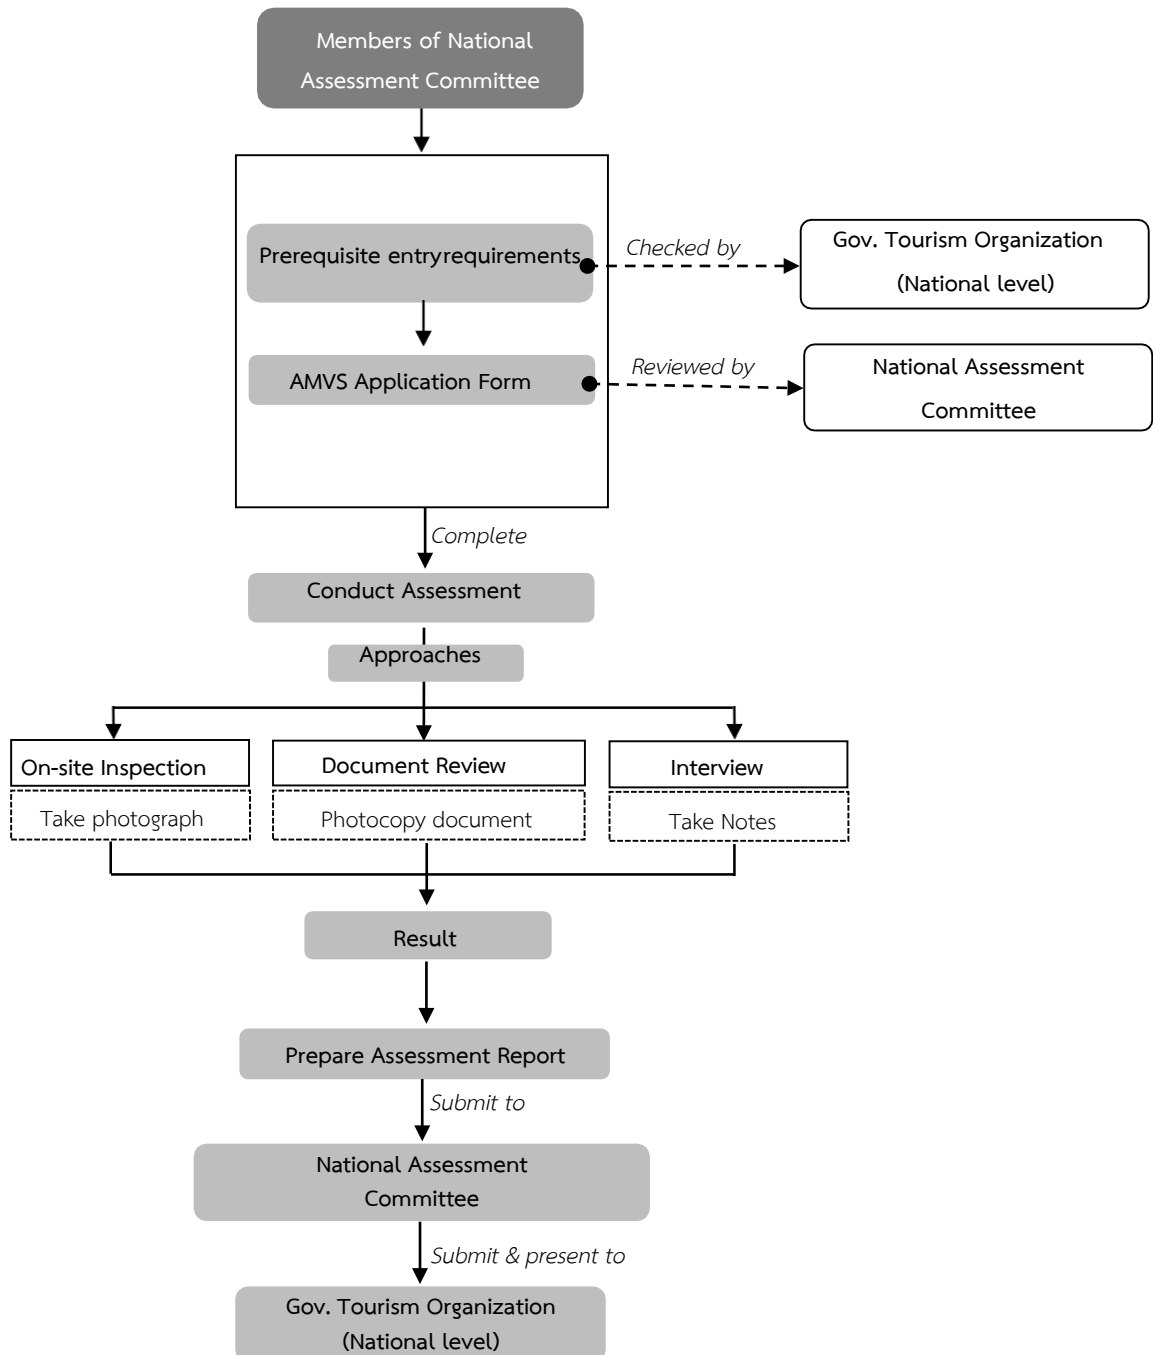

Figure 11.3: The Implementation of Assessment & Audit

11.3 Prerequisite Entry Requirement

Before an assessment is conducted, the National Assessment Committee for AMVS should ensure that all applicants meet the prerequisite entry requirements. If unable to do so, the MICE venues are immediately disqualified from applying for the AMVS.

A list of prerequisite entry requirements is shown in Table 11.3 below.

Chapter 12

Steps of AMVS Assessment & Audit

The AMVS assessment is a key component in identifying potential MICE venues that qualify for the ASEAN MICE Venue Standard. There are 3 steps.

STEP 1: Awareness Programmed & Screening Process

Before implementing the certification program, the government tourism organization will organize seminar, forum, meeting, etc. to create awareness and inform MICE venues about AMVS.

The National Assessment Committee will then conduct a screening process to identify MICE venues that qualify for certification based on the AMVS.

The applicant must be clear on what 'setting' they apply for certification. In other words, there must be a clear selection on the choice of setting (hotels/resorts, conventions/exhibitions, or public/private sectors). The National Assessment Committee must screen the application to ensure that the choice is appropriate and applicable for certification.

STEP 2: Assessment

Assessment will be carried out by the National Assessment Committee. On-site inspections, document reviews and interviews will be conducted during the assessment. Assessments are based on the AMVS and the date of assessment will be made known to the MICE venue operators beforehand.

The National Assessment Committee shall finish an assessment report which will include a list of successful MICE venue operators for certification and submit to the Government Tourism Organization at the national level.

The duration of step 1 and 2 should be not more than 3-4 weeks or as the case may be.

In order to receive the AMVS, MICE venues must score at least 75% of the full score.

STEP 3: Approval

The Government Tourism Organisation at the national level will present the assessment report and list of successful MICE venues at the ASEAN Member States (AMS) meeting for approval. Once endorsed, the ASEAN Member States will issue the ASEAN MICE Venue Standard certificate and plaque to the successful MICE venues.

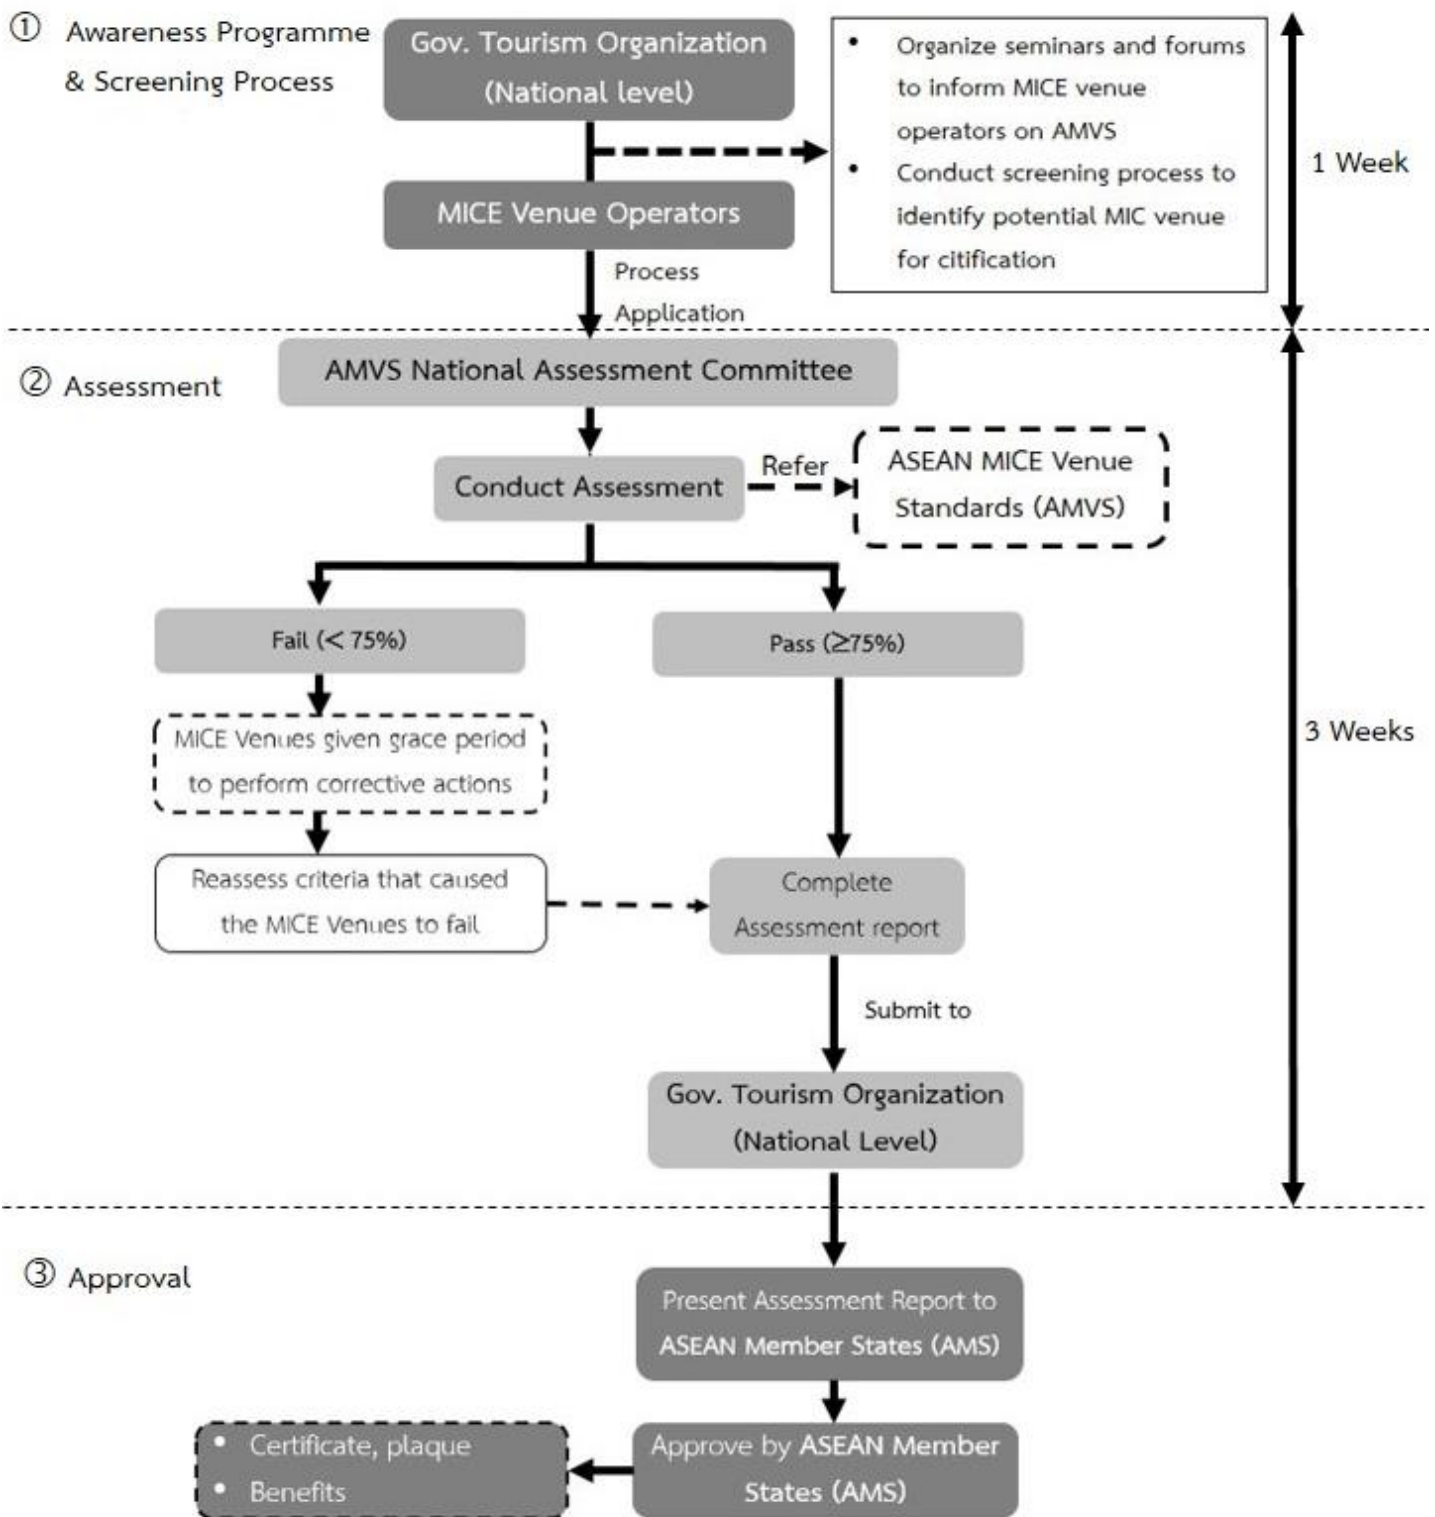

Figure 12.1: A Flowchart of the Proposed Audit Process for AMVS

12.1 Unsuccessful MICE Venues in Assessment

For MICE venues that fail the assessment, the National Assessment Committee will issue a corrective action form and comments to the affected MICE venues which specifies the corrective measures required to be carried out.

MICE venues are given 1 to 6 months depending on the time needed to perform corrective actions. Upon completion of the required corrective measures, the applicant is required to resubmit the Corrective Action Form to the AMVS National Assessment Committee to conduct reassessment. Reassessment will then be conducted ONLY on the criteria that did not meet the Standard during the initial assessment. Figure 12.2 below shows the reassessment process.

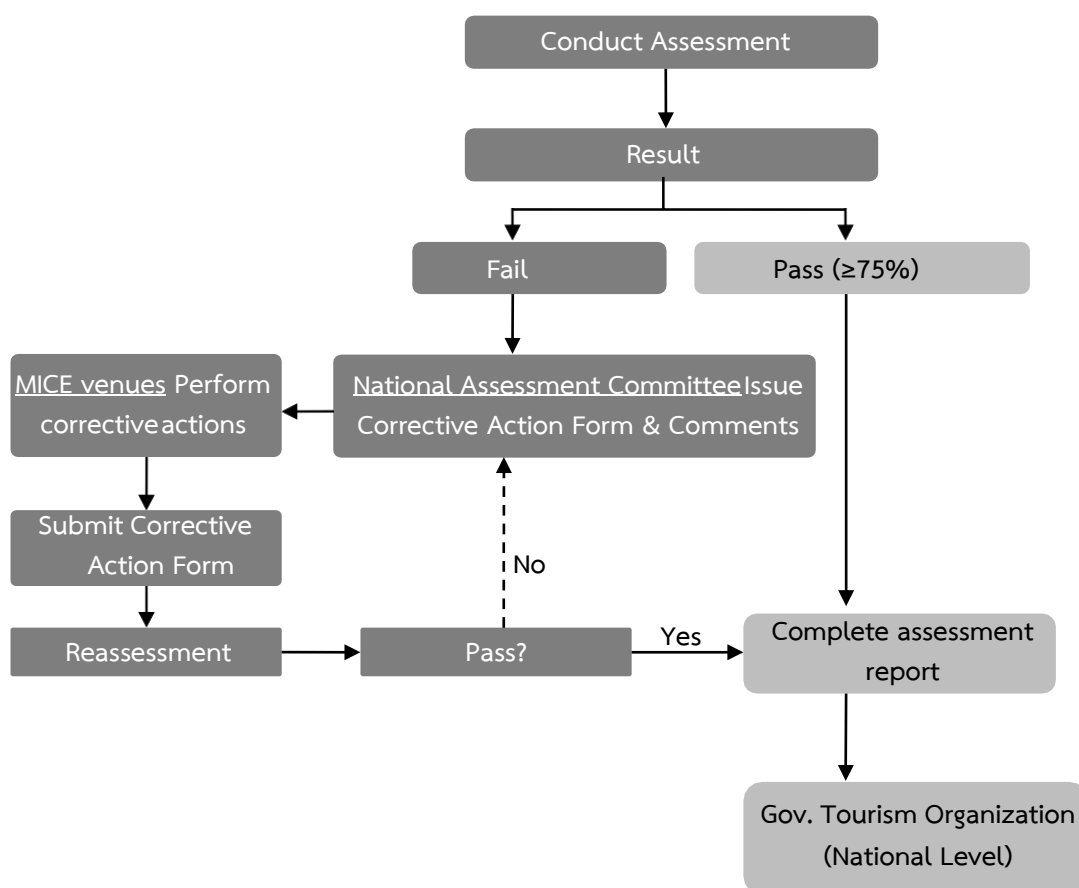

Figure 12.2: Reassessment Process for Unsuccessful MICE Venue Operators

12.2 Successful MICE Venues

For MICE venues that successfully pass the assessment will receive the ASEAN MICE Venue Standard certificate and plaque issued by the ASEAN Member States.

The ASEAN MICE Venue Standard Plaque is crafted from gold-colored metal, attached to a piece of beige-colored wood. The plaque measures 20.5 cm x 15.5 cm. with the border of beige-colored wood of 2 cm.

Chapter 13 Validation

Period

The proposed validity period for the AMVS is 3 years. Certified MICE venues will be reassessed every 3 years to renew their certificates. This will enable the government tourism organization to update and monitor the performance of certified MICE venues to ensure that they maintain their quality and standard as specified in AMVS.

Chapter 14

Benefits & Privileges

The proposed benefits and privileges of being certified as an AMVS are mostly related to better access to marketing and promotional program carried out by the related government agencies. Essentially, certified MICE venues will benefit from the branding of AMVS which is an international recognition. The detailed benefits of certification, though they may vary between ASEAN countries, are as follows:

- Issued with an ASEAN MICE Venue Standard certificate, logo and plaque to be displayed on the premises
- Will be promoted in the ASEAN Organization Official website (<http://www.asean.org>)
- Will be promoted at ASEAN and international tourism events, festivals and forums
- Priority listing on National Tourism Organization's websites and brochures
- Priority given to participate in national and international tourism fairs organized by National Tourism Organizations.

Chapter 15 Certification

Logo

The certification logo for the ASEAN MICE Venue Standard is as below:

Figure 15: ASEAN MICE Venue Standard 20xx – 20xx

The ASEAN MICE Venue Standard logo uses the standard ASEAN Tourism Standards logo for all certifications. The connotations of the logo are as below:

1. Flower resembling to a lotus means a legendary plant, inducing luxurious enjoyment, peace and beauty, and a recognition of award and standardization of ASEAN Tourism Services
2. Petals enfolding ASEAN logo signify resilience of Member Countries
3. Different shades of green color mean protection of environment, fertility, growth, increase of production in tourism industry (Source: ASEAN Tourism Standards Book, 2007)

Chapter 16

ASEAN MICE Venue Assessment Guidelines

ASEAN MICE Venue Assessment Guidelines refer to the scorecard that the members of the National Assessment Committee will use in ‘assessing’ MICE venues. The Assessment Guidelines follow the major criteria of the ASEAN MICE Venue Standard with an identification of methods of assessment and evidence. Table 16.1 summarizes the methods of assessment and evidence used in assessing MICE venues.
